*Warning! Warning! Warning! Seducing Spirits*

[Warning! Warning! Warning ! Seducing Sprits.](#)

**Scripture: 1 Timothy 4: 1 4** Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; <sup>2</sup>Speaking lies in hypocrisy; having their conscience seared with a hot iron; <sup>3</sup>Forbidding to marry, and commanding to abstain from meats, which God hath created to be received with thanksgiving of them which believe and know the truth.

- **Education is empowerment.**
- Times have changed. This is the season of acceptance. However, the world is accepting everything but G-d.
- G-d's word is sound and fixed in heaven. G-d's word won't change.
- Our young people from the ages from 5- 29 are under attack from the enemy.

## Marriage Advice: If you are seeking a mate:

- **MEN: Go for powerful over pretty.** Men of G-d you should want a powerful women of G-d that can pray you out some things. Don't go looking at the measurement of a woman. Look at what she is filled with. Does she have the trinity? Does she have fire in her belly? Does she have fire on her lips? Check out her status in the kingdom.
- **WOMEN: A True Man of G-d:** Women should want a man of G-d that can pray you out of something. Don't look at the muscles. Look for someone that can pray you out, encourage you, and someone that can stand right by you. Wait on G-d to give you the appropriate companion. It has to be more than a sex thing. Ask G-d to give you a man of G-d that won't put everyone before you. Ask him for a man that will recognize that you are his rib and treat you with respect.
- **BOTH: Marry somebody with discernment and full of the Holy Ghost that can help you.** When you are in love and get married you make a covenant. If you break a covenant a curse will be on your house.
- You don't have to have a fancy wedding but you do need a strong prayer life, a strong husband/wife.

- 1 Timothy chapter 4 is teaching on the demonic voices that are coming against the truth. This was teaching that young Timothy had to get.
- Vs 3: Having their conscience seared with a hot iron – this means you become numb to your conscience. Simply saying: your conscience doesn't guide you anymore. You ignore it and don't pay attention to what is right or wrong.
- Apostle Paul was getting ready to face Nero's chopping block. He knew that his life was closely coming to an end.. That is why he said "I fought a good fight" and not "I'm fighting a good fight". He felt it imperative to teach Timothy about these spirits
- You can cause you to destroy/abort your own destiny or purpose.
- Seducing spirits are disguising themselves as your conscience. It is a seducing spirits that will tell a mother to kill her child. It is a seducing spirit that will tell a person to kill people on behalf of Allah. It is a seducing spirit that will have a father kill his whole

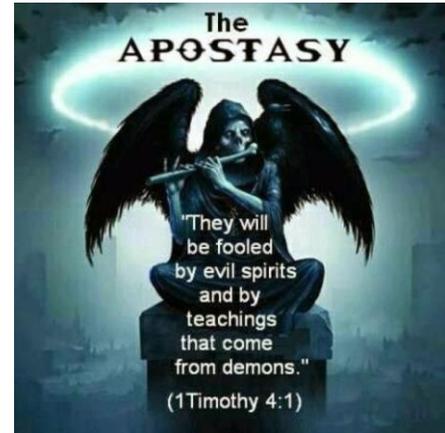

family. It is a seducing spirit that will tell a young man to continue to drink until he causes his own death. It is a seducing spirit that will make gays and lesbians think that loving one another is right. It is a seducing spirit that will let a woman allow a man to beat her and mistreat her. A seducing spirit will make a man/woman break covenant and cheat on his/her spouse. It is a seducing spirit that will make you call right wrong and wrong right.

### **Characteristics of Seducing Spirits:**

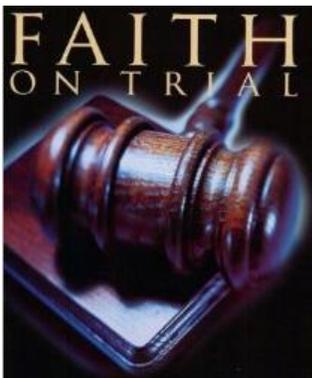

1. Seducing spirit will make wrong seem right.
  2. Seducing spirit will make excuses.
  3. Seducing spirit will encourage you to live a hidden life.
  4. Seducing spirit will perform miracles that will make people think that they are of the faith.
    - a. Don't be so quick to run to services in which miracles are taking place. There could be seducing spirits present.
    - b. Revelations 16: 13-14(AMP) <sup>13</sup> And I saw three loathsome spirits like frogs, [leaping] from the mouth of the dragon and from the mouth of the beast and from the mouth of the false prophet.<sup>14</sup> For really they are the spirits of demons that perform signs (wonders, miracles). And they go forth to the rulers and leaders all over the world, to gather them together for war on the great day of God the Almighty.
  5. Seducing spirits tempt the heart and soul of man.
- These seducing spirits are talking louder and overruling G-d's voice. G-d is using the Apostles to expose these spirits.
  - If you get the heart of G-d, your understanding will become clearer.
  - 1 Timothy 4: 1 this was an example of a spirit to spirit conversation. The Holy Spirit exposed the seducing spirits.
    - When the devil tries to make you sit down, began to speak to those seducing spirit through the Holy Spirit. "Tell that spirit that you know his plan. And that he will not take over your household. Tell it that it won't take control of you or your church." Expose that spirit in your house. Don't continue to listen to those spirits. Resist those spirits. Resist the devil and he will flee from you.
    - G-d's spirit revealed in this verse that there will be a departure or apostasy.

- Apostasy- depart from Christian faith in the end times.
- FYI- Musicians always attract a lust spirit.
- Breakdown of Timothy 4: 1
  - 1<sup>st</sup> came them leaving the faith (depart from the faith).

- Right now your faith should be on trial. Your faith being on trial actually makes your faith stronger.
  - When these spirits attack your faith. If G-d didn't let your faith to be in on trial those seducing spirits would make you leave your faith. However, those seducing

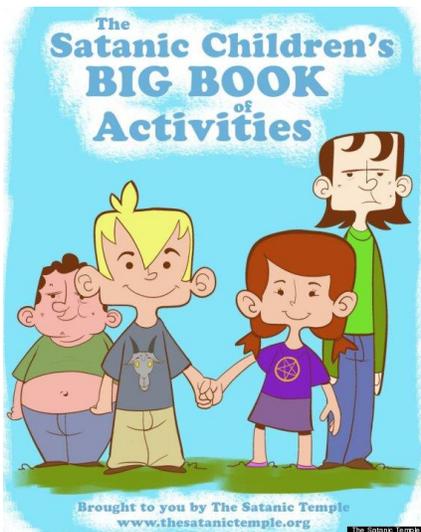

spirits can't touch you as long as you are moving in faith. When your faith is on trial, you won't go by feelings or emotions. When your faith is in check you won't even look like what you are going through. You just have faith that you are going to come out of your trial as pure gold. **By my faith**, I am already out of that thang. **By my faith** everything is going to change. When you see me dancing it is all by faith. I might not feel it but is by my faith. You can lose your house, your car, etc. but you better not lose your faith. If you lose your faith you ain't gone make it.

- Become a faith walker - Step by Step walking in faith
  - 2<sup>nd</sup> In Timothy 4: 1 We see that when they let their faith go is when they started listening to seducing spirits.
  - Seducing spirits and doctrines of devil
    - Examples:
      - Scientology – say there is no existence of a heaven or hell
      - Jehovah Witness- believe Christ is prophet but did not die for our sins.
      - Astrology- Psychics, mediums, Charlie challenge

- Paul is teaching Timothy people get into trouble because they have already departed from their faith. They stopped walking and following the works and word of G-d. People have gotten lazy and don't want to do what it takes to get in their desired place in G-d.

**Another example of a Doctrine of the Devil that is going after the youth:**

- Satanic Temple wanted to hand out satanic literature. This group states that is there right to hand out satanic literature if Christians can hand out bibles. Lucien Graves is the leader of the Satanic Temple. The school board in Orange County, Florida have approved for them to hand out. They will be handing out books called "The Satanic Children's Big Book Activities. It gives the students activities about how to protect themselves against corporal punishment and bullying at school. This book will teach students how to cast spells, how to do roots, and witchcraft. This coloring book features cartoon characters performing Satanic ritual. It will also include a word search with the following words: acceptance,

love, care happiness, fun, friends, play, and games. At the end of this puzzle is a cult spell book.

- How parents can help children fight against these doctrines. Teach them not accept these satanic books. Teach them that don't have to be accepted by everyone by giving them a birthday party in which it just includes the immediate family. Don't invite everybody. Celebrate as a family. Teach your children how to give to others. Take them to the homeless shelter during Christmas and let them give a way toys.

- Satanic temple worships Baphomet. Baphomet is a Pagan-demonic idol- hybrid- Baphomet- goat head & human body- this is the essence of confusion
- This demon is used in several rituals in the cult. He has the characteristics of both sexes, again he represents confusion.
- This statue has 2 children at his feet admiring him. This shows us that he is coming after the children.
- In 1966 Anton Lavey used Baphomet as his symbols

- Inverted pentagon- Satanism- represents dark side- 2<sup>nd</sup> degree initiation
- Pentagon- pentagramas(Hebrew word)- 5 lines
- Witches believe that wearing a pentagon means they have overcome the darkness within them.
- 5 points of inverted pentagram represents the following 5 Elements of air, earth, fire, water, and spirit- what witches use to do incantation and what they use to work magic on others.
