## **Apostolic Warning: Seducing Spirits**

**1 Timothy 4: 1-5** But the [Holy] Spirit distinctly *and* expressly declares that in latter times some will turn away from the faith, giving attention to deluding *and* seducing spirits and doctrines that demons teach,<sup>2</sup>Through the hypocrisy *and* pretensions of liars whose consciences are seared (cauterized),<sup>3</sup>Who forbid people to marry and [teach them] to abstain from [certain kinds of] foods which God created to be received with thanksgiving by those who believe *and* have [an increasingly clear] knowledge of the truth.<sup>4</sup>For everything God has created is good, and nothing is to be thrown away *or* refused if it is received with thanksgiving.<sup>5</sup>For it is hallowed *and* consecrated by the Word of God and by prayer. Recognize that if you are in it to win it, you are going to have to go through his vigorous training and preparation.

- WE are dealing and fighting against seducing spirits and doctrines of devils
- Seducing spirits are spirits that disguise themselves as your conscious whispering things in your ear.

- **Characteristics of Seducing Spirits.**

**Seducing spirits will...**

1. Make wrong seem right
2. Make excuses not to get deliverance and everything that G-d has for them.
3. Encourage you to live a secret hidden life and think you are getting away
4. Perform miracles that will make people think that they are of the faith
5. Tempt the heart and soul of men and women of G-d

**How to shut down seducing spirits:**

**1st** recognize that G-d's word is sound and fixed in heaven. It won't change.

**2nd** understand that education is empowerment. The more you fill yourself up with G-d's word, the more you will be able to discern seducing spirits, expose them, and become empowered to fight against them.

**3rd** get the heart of G-d so that your understanding can become clearer.

**4th** speak to those seducing spirits through the spirit of the Holy Ghost. Take authority over them by saying, "I know your plan and you will not succeed! You have no place in my house! You will not take over me, my seeds, or my household. You are not welcome here! In fact, I command that you return to the abyss of Hell from whence you came. My family and I are covered under the blood of Jesus!"

**5th** once you expose those spirits, resist them and they will flee.

- Growing Statistics: There is an astonishing, huge rise of Satanism, and devil worship among the youth. Witchcraft is on the rise throughout the world. There are perhaps 5- 7 million active witches in America. There are another 35 million people who have dabbled or studied witchcraft.
- Evil shall never win over good anytime. Evil will not win this war. The prophets are putting out. There is going to be an upsurge of real prophets. They will recognize the enemy and call him out.
- Learn to stand on the word of G-d and in your faith. If you don't have any word you can't stand on faith. You will instead stand in fake.
- Everywhere you go, there ought to be somebody that knows that you are a born again Christian. You should never take a vacation from being a Christian.
- After you have been saved for 5 years, you shouldn't need anyone to encourage you. You need to get out of that crippling spirit. Encourage yourself. Get that seducing & confusing spirit out of your head. Let the word come in.

- Satan wants to control the children from the womb to the cradle to the grave.
- He wants to destroy their faith in Jesus. He wants to take our children from us and give them an unholy childhood. He wants to rob them of their brain in the classroom.
- Satan promotes astrology, palm reading, fortune telling, psychic reading, mediums, & spirit channeling.

- Satan is attacking the youth through TV shows, cartoons, and movies. These shows are full of sexual content, sorcery, and new age violence. This is a new form of child abuse without no bounds.

- Parents, Pastors, & educators need to discern the spirit of the times, walk in the light, and preserve G-d's word.
- Parents need to consider the effects that these ideas have on the youth.

**teach your children  
to follow  
Jesus Christ  
or  
someone will  
teach them not to**

- Parental influence is the primary influence. Many parents are too busy to spend time with their children and as a result children are learning from different resources.
- It's time for parents to exercise their G-d given rights. It is time for parents to put their needs aside and be parents. Your child needs your time. Parents need to step up to the obligation of a parent.

- All pastors and teachers must start preaching this very important bible verse, **John 14: 6** "6**Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.**"

## **Apostle's Instructions for Parents**

- Stay away from Harry Porter and sorcery type books/movies
- Keep guidance over what your child watches and games they play.
- Do not buy your children demonic toy games.
  - Don't buy them Pokemon and dungeons and dragons
  - Be careful of buying them lots of video games.
  - Don't buy them video games with violence
- Instead of allowing your children to play games on the way to church, let them listen to worship music or listen to veggie tales. Spend time with your children and teach them the word of G-d so that will know right from wrong.
