What Do You Do When Bad Things Happen to Born Again Christians?

Apostolic Teaching from the Apostolic Vault:

- **Take Authority:** It is our job to take authority and bind up. It is our job to welcome G-d and loose the will of G-d in the situation.
- **We welcome You!** Welcome Jesus into your house of worship and the White House. When Jesus is welcome children and adults know how to behave and be respectful. When Jesus is welcomed it will make you realize that it is all about him and not about your feelings. When He is welcomed the focus will be on building his kingdom and not your own.
- **We don't worry! We put the word on it.**
- **When He speaks everyone listens!**
- **Don't waste G-d's Anointing.** When you go to minister, go on assignment, and not for the monetary gain.
- **We don't picket and protest we pray!**
- **Be careful who leads you because it will determine how you end up. Everyone is not set up to lead.**
- **Prophecy: Civil War is coming to USA if we don't get ahold of this racism and division and come together.**
- **Be careful what you go after because you might just get it.** There is more to things than the surface.
- **The king's heart** is in G-d's hand and he can turn it any way he wants.
- **Leadership:** When those in leadership succeed, we succeed.
- **The Flame of Hatred:** No one in this ministry should add to fuel to the flame of hatred. Instead, respond by saying that Yahweh is still on the throne and the will of G-d will prevail.
- **Supernatural power of G-d** When it looks the darkest, than is when he shines the brightest. The supernatural power of G-d is going to sweep the land.

- **It's Praying Time:** It is time to pray for our nation and our president. G-d's is still on the throne and He is still in control. If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I **hear** from heaven, and will **forgive** their sin, and will heal their land. (2 Chronicles 7:14)
 1. **Hear**
 2. **Forgive**
 3. **Heal**
 - You can't get healed until you forgive
- **The nation belongs to G-d:** The sovereignty power of G-d means he is still ruling and He out ranks the government. There is no one above him. No one controls him and no one can legislate him. You can't stop G-d. Who you put your confidence in will determine your joy and your sadness.
- **Turn form you wicked way:** When you turn away from your wicked ways you can then turn towards each other.

- **Young People:** Get your education! It is more important to go beyond the 12th grade. Go to school and not be a fool. Stop letting your ignorant friends qualify you. Know who you are. Know that you are fearfully and wonderfully made. Stop fighting with your parents, they are there to protect you, and they are not your enemies. If you flunk out, go get your GED. Generational curses cannot be an excuse. When you get saved there is no longer generational curses instead there are generational blessings. Jesus was hung on the cross and took the curse for you and me. Your education will take you further than your current status. Get a degree. Marry someone that matches your degree. Don't let anyone live off of your degree.
- **Parents:** Parents don't let your children lay around and do nothing. If they flunk out of school make them go get their GED or go to the military. Mothers' don't raise your sons to be punks. Have a baby but raise a child. If you are going to have a baby raise them. Teach your children to be on fire for Jesus. When they have the fire of the Holy Ghost and the heat of the flesh hits, the heat from the fire from the Holy Ghost will be hotter and help them to make wiser decisions. Teach your kids right from wrong.

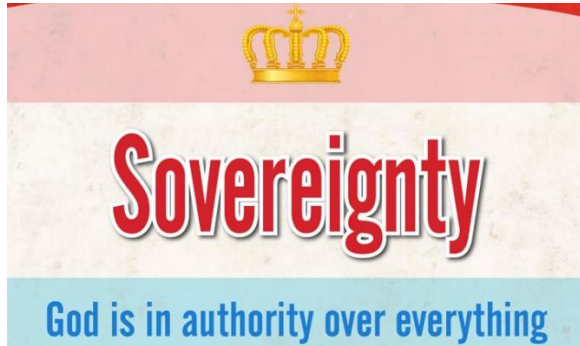

- **Grandparents:** Be a real grandparent and teach your grandchildren right from wrong.
- **Youth Training:** Don't hold your children back from the church. If you hold them back in here you will open them up to the streets. Whenever we have any youth events (UWAP) make sure your children are present. Do not give your children a choice as to whether they want to participate or not. These events are not just events, they are actually training for the future. Only a prophet can raise up a Joshua generation. Apostle is raising the youth up for a purpose. This generation is going to help build the kingdom of G-d. They are going to be able to stand up to the test time. Education without salvation equals damnation. You must put G-d 1st. It takes a real pastor to see who you are supposed to be and push you to your fullest potential. It takes a real pastor to be hard on you.
- **Young Girls:** Don't try to get a boyfriend. Stay focused! Don't chase boys. G-d will send you what you need when you are ready. Be a world changer. Go to school with a focused mind to get what you need and don't be distracted by what other little girls are doing. There is more to you than your outward appearance. Use and grow your brain.
- **Apostle's assignment has shifted to another level:** Ministers be ministers! Walk like ministers. It is a requirement to be in service. There are some new things that are getting ready to come and she doesn't want you to miss it.
- **Anticipation:** There is an anticipation without limitations which is producing my expectations. Anticipate G-d to do the supernatural in the lives of the people. It is time to get deeper in Yahweh. We are going to go so deep into Yahweh that hell won't be able to touch us. Demons are going to walk by and fall with the anointing that you have on your life.
- **Congratulations on your Victory:** All the hard work that you have put in, is now paying off. Tell G-d thank you for bringing you through it. He helped you to endure hardness as a good soldier so congratulations are in order. It was hard but because you kept coming and pushing so now you can receive your victory. You may have had to cry, be alone, be hurt, and not be able to talk to anyone about it. You were smiling on the outside but crying on the inside. CONGRATULATIONS SOLDIER! CONGRATULATIONS WARRIOR!

Job 12: 5-11-⁵ But oh that God would speak, and open his lips against thee; ⁶ And that he would shew thee the secrets of wisdom, that they are double to that which is! Know therefore that God exacteth of thee less than thine iniquity deserveth. ⁷ Canst thou by searching find out God? canst thou find out the Almighty unto perfection? ⁸ It is as high as heaven; what canst thou do? deeper than hell; what canst thou know? ⁹ The measure thereof is longer than the earth, and broader than the sea. ¹⁰ If he cut off, and shut up, or gather together, then who can hinder him? ¹¹ For he knoweth vain men: he seeth wickedness also; will he not then consider it?

- **Michael is standing up:** The warring angel that is standing up for G-d's people is standing at attention.

- **Don't take His Glory!** Everything that you do, all the glory of G-d. Do not miss the shifting. If you aren't walking in the glory of G-d, you will be replaced. Be careful who you get closed to.

- **Job pointed out that Jesus is completely sovereign.** That means that his above all others.

He is supreme in power and rank. What he does with nature you can find in Job 12: 14-15. Job 12: 16-25 shows that G-d is completely sovereign with his people. What He destroys cannot be rebuilt and what he locks up cannot be released. In his sovereignty over people, no matter what their status is G-d is in control. G-d is not impressed with a person's social status or your rank. In this chapter we will find that G-d rules

over nations as well as individuals.

- **This happening to the body of Christ :**

- John 12: 20: 24 ²⁰ And there were certain Greeks among them that came up to worship at the feast:²¹The same came therefore to Philip, which was of Bethsaida of Galilee, and desired him, saying, Sir, we would see Jesus. ²² Philip cometh and telleth Andrew: and again Andrew and Philip tell Jesus.²³ And Jesus answered them, saying, **The hour is come, that the Son of man should be glorified.**²⁴ **Verily, verily, I say unto you, Except a corn of wheat fall into the ground and die, it abideth alone: but if it die, it bringeth forth much fruit.**
- **The process of growth:** When a grain falls to the ground the outer shell falls to the ground and seed brings forth. In order for the outer shell to spring forward, it must be buried under debt, pressure, or pain. The reason you have been going through so much is because he had to cover up the outer shell so that the inside can come up. He wants to use you to bring forth more fruit.

John 12:5 ²⁵ He that loveth his life shall lose it; and he that hateth his life in this world shall keep it unto life eternal.²⁶ If any man serve me, let him follow me; and where I am, there shall also my servant be: if any man serve me, him will my Father honour.²⁷ Now is my soul troubled; and what shall I say? Father, save me from this hour: but for this cause came I unto this hour.²⁸ Father, glorify thy name. Then came there a voice from heaven, saying, I have both glorified it, and will glorify it again.

- **This is your season to win many to Christ and be fruitful.** Everything that you have had to endure for the last 5- 10 years had to happen in order for what is in you to come out. Repeat: “Look at me I’m sprouting. Everything that has happened to me has caused me to sprout with new life. “
- **You can handle what G-d has for you.**
- **Look for your more.** If he said you got more, look for you more. You weren’t buried for nothing. This is your season to walk in your more. If you don’t know your season, you can’t walk in it. Step out from where you are.
